

abyx fit Lime

ACTIVITY TRACKER WITH HEART RATE MONITOR

- See who calls right from the smartwatch
- Read your text messages and social media notifications
- Track your heart-rate, blood pressure, oxygen and calories
- Trigger your camera from the watch
- Single touch screen IPS 0.96"
- Silicone wristband

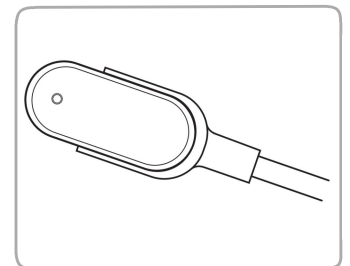

The **abyx Fit Lime** is an IP67 connected smartwatch. It is equipped with a 0.96 inch color single touch screen. It monitors your activity, checks your heart-rate, blood pressure, blood oxygen levels, counts your steps, calories, monitors your sleep and reminds you when to move when you stay seated for too long. It also shows you your reminders and of course displays your chat messages.

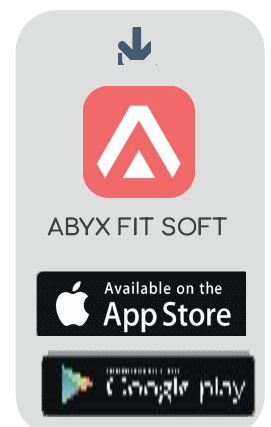

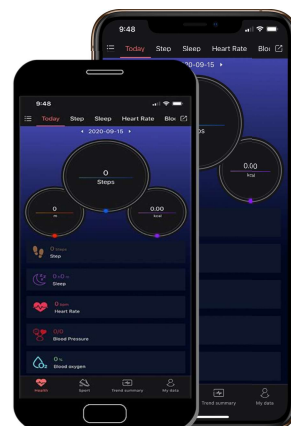

Changeable wristband

Waterproof IP67 up to 1 meter
