

PHILIPS

NeoPix 111

NPX111/INT

Smartly Designed, get well in your interior

The NeoPix 111 is a super easy to use projector throwing an image in True HD 720p image. Display all your content with the wide range of connectivity (HDMI, USB) and connect your Apple TV, Amazon Fire Stick, laptops and even your smartphones! Watch your favorite shows with your friends and wirelessly stream all your moments from any portable devices such as laptop, smartphones or tablets, thanks to the Wi-Fi screen Mirroring*.

Customizing your image is so easy: the NeoPix 111 uses digital zoom, manual focus as well as keystone correction technology to deliver a 16:9 image, even at different angles and in different environments. Connect your USB stick or hard drive to play movies, photos and even music with the integrated multimedia player. Touch panel control with backlighting.

*DRM protected content like Netflix, Amazon Prime, etc, cannot be streamed via Wi-fi Screen Mirroring. An HDMI connection is necessary
