## MOZO Works with LUMIA T Bar classic white for MICROSOFT LUMIA 535

Demanding: its high-tech look blends in with the materials brilliantly. Its geometrically patterned polycarbonate case gives an embossed design while the polyurethane provides texture and colour. It's the iconic Folio case. Effective and ultra thin. Its polycarbonate case goes perfectly with an imitation leather polyurethane flap.

The T-Bar Classic: A protective case with a lively texture for the Lumia 535 lets you speak on the phone even with the cover closed. Inner credit card slots give the look and feel of a wallet case. The classic Black&White style cover and a functional kickstand fit a mobile lifestyle and let you enjoy content on the go.
