

QDOS FILM TPU OPTIGUARD FORCE CURVE POUR SAMSUNG GALAXY S7 EDGE

Fiche technique

QDOS OptiGuard Force Protect is a self-healing TPU gel screen protector that offers optimum invisible protection from shock, impact and scratches. At just 0.1mm thin, OptiGuard Force Protect is practically invisible, keeping your new Samsung S7 edge screen as beautiful as Samsung intended! TPU self-heals and regenerates from dents and scratches for a constant pristine finish, and the elasticity of TPU allows for easy fit and maximum case compatibilit...
